Midland Movie Makers Festival

Sunday 16th October 2016

Midland Movie Makers is a group of 6 filmmaking clubs in the region. They hold three events each year: The MMM Festival, The MMM Inter-Club League (where each club hosts a session and judges films sent in from the 5 other clubs) and Midsummer Madness (Film in a Day). We enjoy these events, and they are a good way of keeping in touch with other filmmaking enthusiasts in the area.
